

usetex=False  
preview=False

A vertical stack of four mathematical symbols, each enclosed in a black rectangular bounding box. A vertical red line is positioned to the left of the first box, and four horizontal red lines intersect the boxes. The symbols are:  $\lg$ ,  $\frac{1}{2}\pi$ ,  $p^{3A}$ , and  $p_{3_2}$ . The rendering is slightly blurry, characteristic of a preview without full TeX processing.

usetex=True  
preview=False

A vertical stack of four mathematical symbols, each enclosed in a black rectangular bounding box. A vertical red line is positioned to the left of the first box, and four horizontal red lines intersect the boxes. The symbols are:  $\lg$ ,  $\frac{1}{2}\pi$ ,  $p^{3A}$ , and  $p_{3_2}$ . The rendering is sharper than the first column, as it uses full TeX processing for previewing.

usetex=True  
preview=True

A vertical stack of four mathematical symbols, each enclosed in a black rectangular bounding box. A vertical red line is positioned to the left of the first box, and four horizontal red lines intersect the boxes. The symbols are:  $\lg$ ,  $\frac{1}{2}\pi$ ,  $p^{3A}$ , and  $p_{3_2}$ . The rendering is the sharpest, as it uses full TeX processing for the final output.
